Depending on the when the Proxibid operator is able to place your first bid, that will determine whether your High bid will be used by yourself or another bidder. Example: Your High Bid is \$100 dollars, the proxibid operator is able to start your bid at \$70. The next bidder bids \$80, you bid \$90, next bidder bids \$100. You would lose that bid because of the bid increment schedule on that item. Because all of our bids are placed competitively this does happen on items in each auction.

We assume no responsibility for failure to execute absentee bids for any reason whatsoever.

If you are the successful bidder, your total price will be the gavel price Plus a Buyers Premium, plus any applicable taxes.
