MODERN FIREARMS - Kramer Auction Service LLC is a Federal Firearms Licensed dealer (FFL), and you can purchase these guns the same way you would from a gun shop. Live bidders may fill out the required form 4473, and get an instant FBI NICS background check by phone at the

auction after you pay. If your NICS background check clears, as is usually the case, you can take the guns the same day. If there is a NICS delay, you will need to come back after NICS clears you.

\* Modern long guns can be sold live at the auction to residents of most states.

\* Modern handguns can be sold live at the auction ONLY to residents of Wisconsin or valid FFL & C&R holders in other states. Non-licensed residents of other states may bid on & buy modern handguns, but must arrange shipment of modern handguns to an FFL dealer in their home state.

\* Out of state & absentee bidders can have guns shipped to FFL dealers in their area. Most gun shops will receive these for you and legally transfer them to you for a modest fee. Depending on the when the Proxibid operator is able to place your first bid, that will determine whether your High bid will be used by yourself or another bidder. Example: Your High Bid is \$100 dollars, the proxibid operator is able to start your bid at \$70. The next bidder bids \$80, you bid \$90, next bidder bids \$100. You would lose that bid because of the bid increment schedule on that item. Because all of our bids are placed competitively this does happen on items in each
